

## **Oral Presentation Self Evaluation Form**

- Describe one thing that you did well and one that you would change in this presentation.
- Did you deliver your message clearly and concisely? Could you have done anything better?
- Comment on your gestures, movement and eye contact: were they effective? Why or why not? If not, how do you plan to improve your gestures and movement for your next presentation?
- Do you think you were able to arouse curiosity and interest?
