

# Unit 3: urbanization and its problems

---

## 15th lesson

- 10' – review. What are the main consequences of urbanisation?
- 10' – introduction and activation with a video

In order to remember the concerns of the previous lesson, the teacher shows this short video and discusses urban problems again.

- 40' – writing

The teacher gives the students a sheet with images representing the problems of the cities (see next page). In pairs, the students look at the sheet. They have to discuss WHY they have such pictures and HOW they can represent a problem for a city. After the discussion, they write a text in which they explain the major concerns of cities nowadays.

They have to finish it as homework.
