

# Music listening: The turtles

How do you imagine  
the rhythm?

fast

slow

Were you  
right?

The Can Can of the musician Jaques Offenbach is normally played very fast but here it is played very slowly so that turtles can dance along.

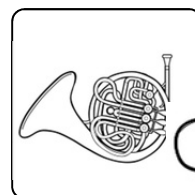

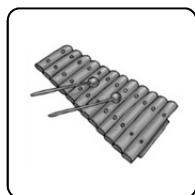

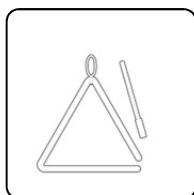

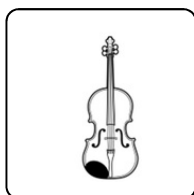

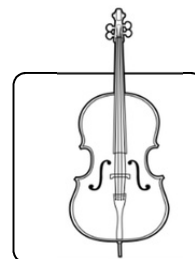

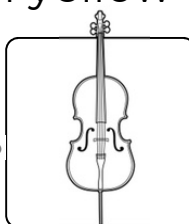

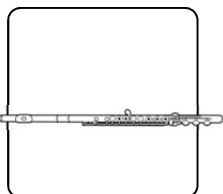

Listen to Offenbach's Can Can.

How is the rhythm?

fast

slow

Colour the main instrument with blue and the  
background instrument with yellow

The main instrument  
sound is:

long

forte

short

piano

The background  
instrument sound is:

long

forte

short

piano
