

Do you know all the animals?

Fossil - Cuckoo - Donkeys - Aquarium - Kangaroos - Elephant - Hemiones (Horses) - Swan - Hens and Roosters - The aviary (Birds) - Lion -Turtles

The orchestra

The glass harmonica consists of several glass bowls pushed into each other, which are made to sound with a damp finger. The glass harmonica is often amplified or even replaced by a celesta (glass piano) during the "Carnival of the Animals".

Viola - Cello - Clarinet - Violin - Piano - Transverse flute - Xylophone - Contrabass - Glass harmonica
